Summer 2008

Meet The Staff

Start your day, 6-9 a.m., with Michael and Delvin. You will enjoy their humor, the music and information you need to start your day with news, sports and weather.

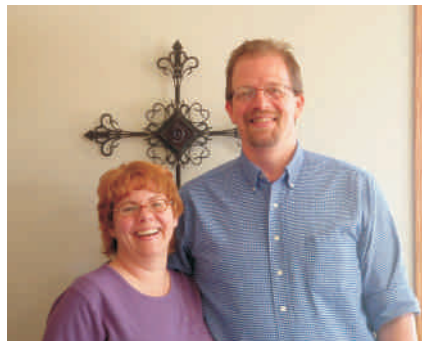

Enjoy afternoons with Gabriel Peter. Not only will Gabe play a lot of great music in the afternoon, but he is also a published author with the book *East from West* and has released four albums. Gabriel is available to perform in area churches. He is also available to fill the pulpit for area churches.

**Mid-days
listen for
Linda Emig
and
Steve Tuzeneu.**

Goodbye and God bless!

We pray God's blessing on Richard and Kathy Hays as they leave Great Plains Christian Radio to follow the Lord's leading. Starting in August they begin working for White City School. Richard will be teaching music, and Kathy serving as an At Risk Para. Thanks for all you've done for our Lord through KJIL!

Can We Help?

KJIL is available to air free announcements to help promote special activities in Abilene. We can draw people to Abilene from all around central and north central Kansas.

What special services and activities are you having at your church? We offer free announcements to promote special speakers and musicians.

KJIL is Listener-Supported

We are a not-for-profit organization here to serve the area. Families, individuals, businesses and churches support the broadcast ministry of KJIL. We invite you to become a monthly donor to help meet the expenses to keep this radio station on the air to serve north central Kansas.

Please Drop in and Introduce Yourself

We are located at 805 South Buckeye in the building that housed the Farm Bureau for many years. You will find our doors open from 8:00 a.m. until 5:00 p.m. Please let us know you are coming for a visit.

We Have a Gift for You!

Come by the radio station at 805 South Buckeye or give us a call and we will give you a copy of the book *Fifty Reasons Why Jesus Came to Die* by John Piper. It is our way of saying "thank you" for welcoming us to Abilene.

Visit Our Website

Visit our Web site for more information on the ministry as well as events in the near future and complete weather information, including weather radar, www.kjil.com/1057.
